Once you have registered, you must go to download before you leave the event, even if you retire from the race or do not run. This is to ensure that everyone on the courses has finished safely.			
If you have a medical condition that the organiser or first-aid team might need to be aware of, tick this box and ask the first-aid team to supply a declaration form. Any information provided will be destroyed immediately after the event.			<input type="checkbox"/>
By completing this form, you agree that we may publish your name, club, gender, age class and race time in the event results and may pass this information to BOF or any affiliated organisation for the purpose of insurance, or for publishing results either for this event alone or an associated league. We may also use your data to trace you if you are late or missing, or to recover a hired SI dibber. For insurance purposes, we are required to retain this form for five years, after which it will be securely destroyed. Photographs of runners may be taken and published, if you have any concerns about this please inform the event organiser.
